

## Jury Questionnaire Summaries

### The Challenge

During jury selection often thousands of pages of completed jury questionnaires are compiled. Important juror details may be overlooked due to the sheer volume of data and time constraints.

### Our Solution – Questionnaire Summaries

1. Email us completed juror questionnaires (MS Word)
2. Provide us with key criteria in a template format
3. Receive a searchable database for future firm use
4. Coded fields for exporting answers into a database
